WELCOME TO OUR COMPANY

At its core, Bouw Art specializes in the production, assembly, and delivery of high-quality wooden panel and modular houses. We proudly serve discerning markets across Europe, including Norway, Sweden, the Netherlands, Iceland, Austria, and, naturally, Latvia. Our homes are built to the highest standards, blending traditional craftsmanship with cutting-edge technology to meet the rigorous demands of each market. Our team is composed of experts who bring over a decade of international experience to every project. With 10 to 15 years of hands-on expertise in construction and the production of panel houses, our professionals are at the forefront of the industry, ensuring that every home we produce is a testament to precision, quality, and durability.

VISION

Vision

Our vision is to continue setting new standards in the modular home sector, delivering sustainable, beautifully crafted homes that meet the evolving needs of modern living across Europe and beyond.
